

16th ANNUAL BASURA BASH

Annual San Antonio River and
Waterways Clean Up

Basura Bash is the largest single-day waterway clean-up in Texas and the only event that collects recyclable waste products. We've continued growing over the past 16 years in volunteers and waterways cleaned.

This year volunteers will collect trash and recyclables from the banks of San Antonio areas waterways listed on this poster. The event will take place at various parks and other areas along the waterways listed and headquartered at Mission County Park at the corner of Padre Drive and VFW Boulevard. So come out and join us!

Saturday, March 27, 2010
